

GOJO® HAND MEDIC® Professional Skin Conditioner

Moisturizes and conditions skin.

Healthy Skin

Damaged Skin

Healthy skin is the basis of prevention.

Healthy, well-conditioned skin retains more moisture and is less likely to absorb and react to incidental exposure to irritants. Use GOJO HAND MEDIC Professional Skin Conditioner before work, after hand-washing and at night to help maintain the skin. Good skin condition is the body's first line of defense against harmful substances and moisture loss.

Help maintain skin's natural moisture level.

GOJO HAND MEDIC Professional Skin Conditioner is part of a complete hand hygiene regimen to help prevent dry hands and help maintain skin condition of employees.

- Helps maintain skin's natural barrier
- Moisturizes and conditions skin
- Proven under actual workplace conditions
